

Bringing health and hope
to people in need.

Gaining Ground Harvest Fest, October 2011

Our work is simple...

We grow fresh organic produce and give it away to people in need. Most of our produce is consumed within 20 miles of our farm and within 24 hours of harvest. Our refreshingly simple model gets produce to those who need it most.

...but powerful.

The hundreds of volunteers who help our dedicated staff will tell you that Gaining Ground is no ordinary farm. It's a place where people of all ages and backgrounds work together to help those in need. And where *doing good* is fun, inspiring, and enlightening.

Your generous support provides the financial fuel that keeps us growing.
Please make your contribution to Gaining Ground today. Thank you.
